“Be Sure I Have Been In Your Heart throughout Eternity! O Mortal!”

Be Sure! I Shall Free You from the Lesser Gods! O Mortal!

“Be Sure! I Shall Teach You to Overcome The Trial of Death! O Mortal!”

For How Long Shall Thou Miss The Cosmic Charging of Your Soul! O Mortal!

How Long Shall You Miss The Nectar of Mortality! O Mortal!

“Why Then Thou Still Cry In Ignorance”

But Alas! I Still Long To Drink From Thy Cup! O Mortal!

**CHAPTER 1-POEMS ON UNDERSTANDING COSMIC SOUND
INSPIRED FROM GEETA**

Poem on Cosmic Sound

Let Man Open The Sluice Gates of His Third Eye! O Lord!

(Source: www.artpal.com)

**Let man hear the divine trumpet
Let man be master of conscious,
subconscious and super conscious
worlds.**

**Let man not weave figures of light.
Let man not be satisfied with
anything less than spirit.**

**Let man look for the lord hidden on
the throne of light.**

**Let man not be satisfied with the
fairies of the world.**

**Let man open the sluice gates of his
third eye! O lord!**

**Let man progress in the realm of holy
vibration.**

**Let man witness the synthesis of all
sounds.**

Let man hear the great voice.

Let man hear the divine trumpet.

Let men hear the great commingled cosmic sound.

Let man hear the cosmic sound continuously flowing in ether.

Let man open the sluice gates of his third eye! O lord!

Let man hear the sound unutterable by any human voice.

Let man hear the soul fully known to the illuminated.

Let man hear the sound that pervades the consciousness.

**Let man hear the sound that pervades every fiber and atom of every
being.**

Let man consciously attend to the cosmic sound.

Let man listen to the cosmic sound as it vibrates in ether.

Let man open the sluice gates of his third eye! O lord!

Let man witness the creation of the cosmic sound.

Let man witness the preservation of the cosmic sound.

Let man witness the dissolution of cosmic sound.

Let man hear the holy sound.

Let man hear the sound that manifests in his intuition.

Let man's heart overflow with the sacred sound.

Let man open the sluice gates of his third eye! O lord!

Let man experience the bliss of the lord behind the cosmic sound.

**Let man's heart become serene after being absorbed in the cosmic sound.
Let man not be diverted from his exalted state.
Let man unite his soul with the cosmic sound.
Let man behold the cosmic sound that has witnessed all creation.
Let man behold the divine witness.
Let man open the sluice gates of his third eye! O lord!**

(Source: www.pinterest.com)

**Let man's heart accompany all vibratory creation.
Let man witness the tangible presence of the cosmic sound in all creation of the creator.
Let man dive into the ocean of sweet cosmic sound.
Let man experience the quenching of the senses in the cosmic sound.
Let man experience the evaporation of his miseries in the cosmic sound.
Let man play the sport of the unattainable.
Let man open the sluice gates of his third eye! O lord!**

Let man behold within the moonbeams of the hidden lord.

**Let man hear the rhythmic beat of life and death.
Let man hear the cosmic rapture.
Let man behold the space saturated with the cosmic sound,
Let man hear the unstruck music sounded by the lord.
Let man hear the music of the love of three worlds.
Let man open the sluice gates of his third eye! O lord!**

**Let man hear the sound that is outward manifestation of the lord.
Let man hear the sound that is divine witness.
Let man hear with serenity and fearlessness.
Let man hear with steadfastness.
Let man witness his super conscious chanting.
Let man be divinely entranced in the ocean of sound.
Let man open the sluice gates of his third eye! O lord!**

**Let man be engrossed in a state of ecstasy.
Let man calmly pursue his goals.
Let man retain his divine realization during the conscious, subconscious and super conscious states.
Let man be one with the cosmic ocean of the lord.
Let man witness his final extinction.**

Let man abstain from all excuses.

Let man not face obstruction in the path of divine progress.

Let man open the sluice gates of his third eye! O lord!

Right-turning Conch (Shankha): The shankha or conch-shell is a traditional Vedic instrument. Like the shofar of Judaism, it is used originally as a war-horn, and later, as a ritual sounding-instrument. Its sound is believed to banish fear and evil spirits, and causes enemies to tremble. In Vedic belief, it is an attribute of Vishnu and a number of other deities. In Tibetan Buddhism, the conch is one of the eight Auspicious Symbols (Ashtamangala) representing the paths of Buddhism, and represents the voice of the Buddha and the truth of the dharma. Both Vedic and Buddhist tradition differentiates between shells whose spirals turn clockwise (in the direction of the sun) and counter-clockwise; the "right-turning" conch being more auspicious. POPULAR QUOTES ON COSMIC SOUND

"Om is not just a sound or vibration. It is not just a symbol. It is the entire cosmos, whatever we can see, touch, hear and feel. Moreover, it is all that is within our perception and all that is beyond our perception. It is the core of our very existence. If you think of Om only as a sound, a technique or a symbol of the Divine, you will miss it altogether. Om is the mysterious cosmic energy that is the substratum of all the things and all the beings of the entire universe. It is an eternal song of the Divine. It is continuously resounding in silence on the background of everything that exists."

- **Amit Ray**

"Sounds travel through space long after their wave patterns have ceased to be detectable by the human ear: some cut right through the ionosphere and barrel on out into the cosmic heartland, while others bounce around, eventually being absorbed into the vibratory fields of earthly barriers, but in neither case does the energy succumb; it goes on forever - which is why we, each of us, should take pains to make sweet notes."

- **Tom Robbins**

"When you reach a calm and quiet meditative state, that is when you can hear the sound of silence."

- **Stephen Richards**

"One of the various theories proposed to explain the negative result of the famous Michelson-Morley experiment with light waves (conceived to measure the absolute space), was based on the ballistic hypothesis, i.e. on postulating that the speed of light predicted by Maxwell's equations was not given as relative to the medium but as relative to the transmitter (firearm). Had that been the case, the experiment negative results would have not caused such perplexity and frustration (as we shall see in forthcoming sections)."

- **Felix Alba-Juez**

Poem on Death

Be Sure! I Shall Guide Your Stumbling Heart and Soul! O Mortal!

(Artist: Bartolome Esteban Murillo

Date: 1667)

I shall prevent you from succumbing to the impulses of likes and dislikes.

I shall free your discrimination and power of free choice.

I shall liberate your overwhelmed heart and soul.

I shall prevent you from plunging into delusive ignorance.

I shall break your ego's indivisible cohesion to delusion.

I shall liberate you from the state of your original sin.

Be sure! I shall guide your stumbling heart and soul! O mortal!

I shall breathe in all your delusions.

I shall show you my dramatic scheme of creation.

I shall show you the cosmic game of creation.

I shall not play hide and seek with your soul.

I shall grant you the grand prize.

Be sure! I shall guide your stumbling heart and soul! O mortal!

I shall fulfill the supreme temptation of your life.

I shall teach you to use my gift of discrimination and free choice.

I shall teach you to find the reality behind the appearances of life.

I shall make you return to your ever blessed home.

Be sure! I shall guide your stumbling heart and soul! O mortal!

I shall remove your despondence about finding your ultimate liberation.

I shall agitate the still waters in your soul.

I shall agitate the calm waters of your heart.

I shall soothe and calm your restless heart.

I shall help you witness the inward presence of your blissful soul.

I shall help you witness your prenatal habits of desires and aversions.

Be sure! I shall guide your stumbling heart and soul! O mortal!

I shall help you quell the agitating effects of your past karma.

I shall help you overcome the ripple effects of likes and dislikes.

I shall help you concentrate on the spirit within your soul.

I shall free your heart from the battle of opposite qualities.

I shall help you free yourself from the sinful, misery making attachments and repulsions.

Be sure! I shall guide your stumbling heart and soul! O mortal!

I shall help you reach the abode of all goodness.

I shall free you from the ultimate mortal limitations of disease, old age and death.

I shall help you find shelter in my abode.

I shall help you wake in my world.

Be sure! I shall guide your stumbling heart and soul! O mortal!

I shall provide permanent protection against the devastations of your misery.

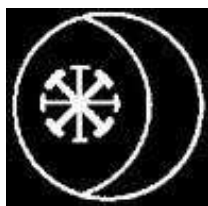

I shall help you to solve the deep mysteries and realities hidden in your soul.

I shall provide you deliverance from decay and death.

I shall tell you the secrets of all your karma.

Be sure! I shall guide your stumbling heart and soul! O mortal!

Be Sure! I Shall Teach You To Conquer The Terror In Your Heart! O Mortal!

(Artist: Richard Lorenz Date: 1914)

I shall teach you to relieve yourself of this meaningless and mechanical existence.

I shall teach you to relieve yourself of this obnoxious living.

I shall teach you to relieve yourself of your guilty consciousness.

I shall teach you to dissolve all the inclinations and desires of your heart.

I shall teach you to

remain in continuous ecstasy.

Be sure I shall teach you to conquer the terror in your heart! O mortal!

I shall teach you to usher yourself into the transcendental spheres of your lord.

I shall teach you to proceed into the infinite.

I shall teach you to resurrect yourself.

I shall teach you to emerge from your useless casing.

I shall teach you to discard your tattered mortal robe.

Be sure I shall teach you to conquer the terror in your heart! O mortal!

I shall teach you to discard your physical, astral and casual bodies.

I shall teach you to achieve your liberation.

I shall teach you to achieve the first begotten of the dead.

I shall teach you of the experience of the omnipresence.

I shall teach you of the divine matrix of creation.

Be sure I shall teach you to conquer the terror in your heart! O mortal!

I shall teach you to merge in the formless absolute.

I shall teach you to merge in the bliss transcendental spirit.

I shall teach you to be the dreamer of the whole panorama of existence.

I shall teach you to fight the battle of daily activities.

I shall teach you to behold the dreams emanating from your cosmic consciousness.

Be sure I shall teach you to conquer the terror in your heart! O mortal!

I shall teach you to truly behold your heart and feelings.

I shall teach you how not to be emotionally agitated by the dream drama on earth.

I shall teach you to behold the blessed cosmic beam.

I shall teach you to enter my transcendental dreamless state.

Be sure I shall teach you to conquer the terror in your heart! O mortal!

I shall teach you to act with your consciousness absorbed in the lord.

I shall teach you to become fully one with divine.

I shall teach you to surrender your mind.

I shall teach you to surrender your understanding.

I shall teach you to surrender your doubts.

Be sure I shall teach you to conquer the terror in your heart! O mortal!

I shall teach you to prepare for the spiritual grace.

I shall teach you to carry your divine consciousness through the doors of death.

I shall teach you how to banish sensations and thoughts from your consciousness.

I shall teach you to magnetize your mind towards your blissful soul.

**I shall teach you to enjoy the everlasting communion with your spirit.
Be sure I shall teach you to conquer the terror in your heart! O mortal!**

The Gorgon: The Gorgon In Greek mythology, a so called gorgon, transl. gorgo or gorgon, "terrible" or, according to some, "loud-roaring" was a vicious female monster with sharp fangs who was a protective deity from early religious concepts. Her power was so strong that anyone attempting to look upon her would be turned to stone; therefore, such images were put upon items from temples to wine kraters for protection.

The Gorgon wore a belt of serpents that intertwined as a clasp, confronting each other. There were three of them: Medusa, Stheno and Euryale. Only Medusa was mortal, the other two are immortal. (Source: <http://www.ancienttranslations.com>).

Poem on Death

"Be Sure! I Shall Teach You to Overcome The Trial of Death! O Mortal!"

(Source: www.ancient.eu)

I am the unchangeable and the causeless.

I am the invisible light of cosmic consciousness.

I remain hidden behind the dream shadows of creation.

I remain unperceived by the countless dream entities.

I shall help you look into my spiritual eye.

"Be sure! I shall teach you to overcome the trial of death! O mortal!"

I shall grant you my omniscient vision.

I shall show you the pure spherical cosmic beam.

I shall show you the manifested power of my unmanifested spirit.

I shall show you my light that is hidden in the delusive scenes of life.

I shall bless you with the uplifted, awakened and spiritual gaze.

I shall show you the invisible and the unnoticed.

"Be sure! I shall teach you to overcome the trial of death! O mortal!"

I am unknown to the bewildered world.

I am eclipsed by my own created delusion.

I am the unborn.

I am the deathless.

"Be sure! I shall teach you to overcome the trial of death! O mortal!"

I shall show you the vision of all that went on within you in the past.

I shall show you the vision of all that shall happen within you in the future.

I occupy your space less, timeless consciousness.

I am your eternal present.

I limit your consciousness by the three fold relativity of time.

I circumscribe your consciousness by the past, present future.

"Be sure! I shall teach you to overcome the trial of death! O mortal!"

My consciousness is ever aware throughout eternity.

My consciousness has no past

My consciousness has no future.

My consciousness is never interrupted by death or limitation.

My presence is veiled in my cosmic dreams.

My presence is veiled behind the magical dream pictures of cosmic nature.

"Be sure! I shall teach you to overcome the trial of death! O mortal!"

My cosmic beam is adroitly hidden by your cosmic dreams.

I am secreted beyond the subtle understanding of the mortals.

I shall help you tear off the shroud of delusion.

I shall help you gaze on the eternal beauty.

I am aware of the beings of the past, present and future.

"Be sure! I shall teach you to overcome the trial of death! O mortal!"

I create the drama of contrary elements.

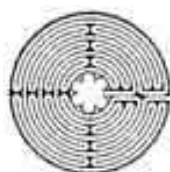

I create your emotional responses.

I create your desires and aversion.

I create your liking and disliking.

"Be sure! I shall teach you to overcome the trial of death! O mortal!"

The labyrinth : The labyrinth In Greek mythology, the Labyrinth (Greek labyrinthos) was an elaborate structure designed and built by the legendary artificer Daedalus for King Minos of Crete at Knossos. Its function was to hold the Minotaur, a creature that was half man and half bull and was eventually killed by the Athenian hero Theseus. Daedalus had made the Labyrinth so cunningly that he himself could barely escape it after he built it. Theseus was aided by Ariadne, who provided him with a fateful thread, literally the "clew", or "clue", to wind his way back again. (Source: <http://www.ancienttranslations.com>).
