Alas! Why Do You Sleep In The Tent of Shame! O Mortal!

(Artist: Ludwig Deutsch Date: 1855-1935)

**You are the best of the divine progeny.
You are the purest of the evolution.
You are from the best of the race.
You have the power of doing right.
You can be example for others to do right.
You have the power to see that the right prevails.
Alas! Why do you sleep in the tent of shame! O mortal!**

**You are capable of eschewing the wrong.
You can be example to others to eschew wrong.
You have the power to see that wrong and injustice are defeated.
You have the capacity to carry the banner of faith and right.
You have the capacity to snatch your victory.
Alas! Why do you sleep in the tent of shame! O mortal!**

**Why do you join the company of perverted transgressors.
Why do you dwell in the tent of the wicked.
Why do you reside in the tent of ignorance and shame.
Why do you reside in the tent of destitution and misery.
Why do you rebel against your faith.
Why do your transgress beyond bounds.
Alas! Why do you sleep in the tent of shame! O mortal!**

**Why don't you stand for the right.
Why don't you rehearse the divine signs.
Why don't you prostrate your selves in adoration.
Why do you clutch to your possessions.
Why do you cling to your progeny.
Why do you invite the frosty winds.
Alas! Why do you sleep in the tent of shame! O mortal!**

(Artist: Ludwig Deutsch Date: 1855-1935)

**Why do you strike and destroy the divine harvest.
Why do you wrong your soul.
Why do you wrong your being.
Why do you resist god's purpose.
Why do you indulge in false charity.
Why don't you comprehend the essence of charity.
Alas! Why do you sleep in the tent of shame! O mortal!**

**Why do you comprehend the essence of faith and love.
Why do you succumb to your baser motives.
Why do you succumb to your ostentations.
Why do you invite the nipping frost.
Why do you destroy all your hopes.
Why do you blame your blind fate.
Alas! Why do you sleep in the tent of shame! O mortal!**

**Why do you deny god's providence.
Why do you invite harm and injustice to your soul.
Why do you wrong your soul.
Why do you suffer the frost.
Why do you suffer poverty and shame.
Why do you suffer from eternal disgrace.
Alas! Why do you sleep in the tent of shame! O mortal!**

**Why do you invite the wind charged with evil.
Why do you hide the secrets of your heart.
Why do you perish in your own rage.
Why do you join the rank of unbelievers.
Why do you take them into intimacy.
Why don't you see hatred concealed in their hearts.
Alas! Why do you sleep in the tent of shame! O mortal!**

Why don't you see their intention to corrupt your soul.

**Why don't you strive with firmness.
Why don't you learn from your misfortune.
Why do you question the lord's plan.
Why do you doubt his wisdom and mercy.
Why don't you stand firm and unswerving.
Alas! Why do you sleep in the tent of shame! O mortal!**

**Why don't you obey in steadfast courage.
Why don't you persevere in your faith.
Why do you cry in grief and despair.
Why do you not anchor with your firm hope.
Why don't you retrieve your mistakes.
Why don't you defy pain and death.
Alas! Why do you sleep in the tent of shame! O mortal!**

Gemini : The Twins May 21 - June 20 Flexibility, balance and adaptability are the keywords for the Gemini. They are quick to grasp the meaning of a situation and act on it, often with positive effects. They tend to have a duality to their nature, and can sometimes be tough to predict how they will react. They can turn from hot to cold and may be prone to noticeable mood swings. However, they are generous signs with tendencies of being affectionate, and imaginative. They also inspire others easily as they seem to naturally motivate themselves - their charisma and accomplishments are infectious. Geminians are very supportive, and are especially good at promotions, sales, and driving hard bargains. (Source: <http://www.whats-your-sign.com>).

Lavender: "My beautiful expanse will inspire you."

May 20 - June 20 If you are a lavender flower sign you freckle your landscape with beautiful ideas. You love to share these ideas with other people and get more new insights as you do so. You are expansive in your expressions, and you always seem to be able to find your muse. You are amazingly productive, creative and have an active mind. Sometimes you feel pulled in too many directions, but part of the lavender's beauty is that it spreads itself far and wide for all to enjoy. (Source:

Apple : A symbol of ecstasy, fertility and abundance as well as love, the Apple is a testimony to the adage "big things (or meanings in this case) come in small packages." At her wedding to Zeus, Gaia supplied Apples to Hera signifying long love and union. Dionysus, the Greek god of wine, offered Apples to woo Aphrodite and win her love. Split apart, the Apple conjures an image of vulva, signifying feminine love and beauty. In China the Apple stands for peace and its blossom for adoration. (Source: <http://www.whats-your-sign.com>).

Eight-pointed Star (Rub el Hizb, Seal of Melchizedek) : The particular eight-pointed star (or octogram) pictured here is unusual in that it has multiple meanings, depending on context. The original emblem of two overlapping squares, often with a circular ornament, is called a rub el hizb (Arabic, quarter-group), an ornament used to mark the end of passages in the Q'uran. This symbol, like all symbols related to Islam, is not official nor heavily symbolic.. (Source: <http://www.whats-your-sign.com>).
